 <p>A line drawing of a vertical machine. It features a large rectangular screen at the top. Below the screen is a control panel with several buttons and a coin slot. The machine is shown with dashed lines indicating its overall structure and components.</p>	 <p>A photograph of a vertical machine, likely a vending machine or game machine. It has a red and white color scheme. The top section is white and contains a large touchscreen displaying a game interface. Below the screen is a coin slot and a button. The bottom section is red and appears to be a coin return or collection area.</p>	 <p>A line drawing of a vertical machine, very similar to the plaintiff's design. It has a large screen at the top, a control panel with buttons and a coin slot below it, and a coin return area at the bottom. The drawing uses solid lines for the main structure and dashed lines for details.</p>
 <p>A line drawing showing a close-up of the machine's screen and control panel. The screen is tilted slightly to the right. The control panel below it has several buttons and a coin slot.</p>	 <p>A close-up photograph of the machine's touchscreen. The screen displays a game interface with several icons and text. The machine is red and white.</p>	 <p>A diagonal line from the top-left to the bottom-right corner, indicating that there is no image or drawing in this section.</p>
